problem - too many of each! Our flower beds and gardens are suffering as a result. Those kittens are so cute and provide a lot of entertainment for the residents and staff, but they do grow up to be cats! A solution will be found. There will be no resident council meetings during July and August and only one Tuesday night bingo during each of those months. OKO was the game of the afternoon and in the evening we held our birthday bingo. The birthday people this month are Mabel Hope, Annie Watson, Mary Lawrence, Rhea Johnston, Pansy

George Skinner, Lottie Todd, Ab Burton, Muriel Herron, Alice Jickling, Wanda Skinner, Charlie Heck, Mary McDonald, Florence Cromarty, Alois Breunig, Annie Watson and Genie Dalrymple. The blackout winner was Emos Schechtel. The evening ended with a beautiful sandwich and birthday cake lunch.

Wednesday morning, our church service was led by Rev. Gerrit Kamphuis and pianist Irene McCormick, of the United Church. This was Gerrit's farewell service at the lodge as he and Shirley are moving to another area south of Saskatoon. They will be

missed. Some of the Scripture readings were from Psalms 29:1 "Ascribe to the Lord glory and strength"; John 10:10 (Jesus said) "I came that they may have life, and have it abundantly" and in John 20, Jesus said "Receive the Holy Spirit." The Holy Spirit is always with us. June 15th is Trinity Sunday, celebrating God the Father, God the Son and God the Holy Spirit. We sang several meaningful hymns and closed with one which always touches hearts - "God Be With You Till We Meet Again." A number of residents attended a workshop - information afternoon at the Drop in Centre. There were several different speakers and some of the topics were nutrition, medications, exercises and hazards. It was a worthwhile afternoon.

Thursday, and what a beautiful morning it is! A good number exercised with Annette and felt good that we had. Later in the morning "Reading with Linda" is scheduled. This afternoon the Weavers came to sing for us. We appreciate the faithfulness and commitment of these people very much. It all helps to make the lodge a special and happy place to live.

Friday morning is another in jewel-like string of beautiful days, and everything is so green. Beltone hearing services is scheduled for today as is video exercises and shufflebowl.

**RURAL PHYSICIANS**

*— at the heart of your community*

Physicians are the cornerstone of rural health care – providing office, home, hospital, community and emergency medical care. Rural physicians are employers, local consumers, volunteers, community supporters – and your neighbors.

When a rural physician needs time off for vacation or continuing education, the Rural Locum Program may provide a replacement physician. Your doctor can then take time off with the comfort of knowing you are looked after while he or she is away.

During **RURAL HEALTH WEEK, June 16 - 22**, take a moment to let your physicians know that you value their contributions – to your health and to your community.
